NAEYC data on programs' approach to child assessment

- *Trend Briefs*
 - Communications from the NAEYC Academy for Early Childhood Program Accreditation intended to share data on programs seeking accreditation and to connect the findings to early childhood research trends.
 - All programs attempting to meet same standard and criteria
 - Can look at overall pass rates for criteria (difficulty) and differences between accredited and non-accredited programs (differentiation)
 - Can support programs seeking accreditation as well as quality improvement efforts
